

## Bibliography

### Articles and Chapters

1. Vaillant, G.E., Orav, J., **Meyer, S.E.**, McCullough Vaillant, L., & Roston, D. (1996). Late life consequences of affective spectrum disorder. *International Psychogeriatrics*, 8, 13-32.
2. Vaillant, G.E., **Meyer, S.E.**, Mukamal, K., & Soldz, S. (1998). Are social supports in late midlife a cause or a result of successful physical ageing? *Psychological Medicine*, 28, 1159-1168.
3. Carlson, G.A. & **Meyer, S.E.** (2000). Bipolar disorder in youth. *Current Psychiatry Reports*, 2, 90-94.
4. **Meyer, S.E.**, Chrousos, G.P., & Gold, P.W. (2001). Major depression and the stress system: a life span perspective. *Development and Psychopathology*, 13, 565-580.
5. **Meyer, S.E.** and Carlson, G.A. (2003). Bipolar disorder in youth: an update. *Current Psychosis and Therapeutics Reports*, 1, 79-84.
6. **Meyer, S.E.**, Carlson, G.A., Wiggs, E.A., Martinez, P.E., Ronsaville, D.S., Klimes-Dougan, B., Gold, P.W., & Radke-Yarrow, M. (2004). A prospective study of the association among impaired executive functioning, childhood attentional problems, and the development of bipolar disorder. *Development and Psychopathology*, 16(2), 461-476.
7. **Meyer, S.E.**, Bearden, C.E., Lux, S.R., Gordon, J.L., Johnson, J.K., O'Brien, M.P., Niendam, T.A., Loewy, R.L., Ventura, J. & Cannon, T.D. (2005). The psychosis prodrome in adolescent patients viewed through the lens of DSM-IV. *Journal of Child and Adolescent Psychopharmacology*, 15(3), 434-451.
8. Ronsaville, D.S., Municchi, G., Laney, C., Cizza, G., **Meyer, S.E.**, Haim, A., Radke-Yarrow, M., Chrousos, G., Gold, P.W., & Martinez, P.E. (2005). Effects of maternal and environmental factors, puberty stage, and depressive episodes on HPA axis response to corticotropin releasing hormone infusion in offspring of mothers with or without affective illness. *Development and Psychopathology*, 18(1), 173-194.
9. Bearden, C.E., **Meyer, S.E.**, Loewy, R.L., Niendam, T.A., & Cannon, T.D. (2006). The neurodevelopmental model of schizophrenia: updated. In D. Cicchetti & D. Cohen (Eds.), *Developmental Psychopathology*. John Wiley & Sons, Hoboken, NJ.
10. Carlson, G.A. & **Meyer, S.E.** (2006). Diagnosis of bipolar disorder across the lifespan: complexities and developmental issues. *Development and Psychopathology*, 18, 939-969.

11. **Meyer, S.E.**, Carlson, G.A., Wiggs, E.A., Ronsaville, D.S., Martinez, P.E., Klimes-Dougan, B., Gold, P.W., & Radke-Yarrow, M. (2006). A prospective high-risk study of the association among maternal negativity, apparent frontal lobe dysfunction, and the development of bipolar disorder. *Development and Psychopathology*, 18(2), 573-589.
12. **Meyer, S.E.** & Carlson, G.A. (2008). Early-onset bipolar disorder: A clinical synthesis. *Focus: The Journal of Lifelong Learning in Psychiatry*.
13. Hakak, R., Szeftel, R., **Meyer, S.E.**, & Rapaport, M.H. (2008). Training psychiatric residents and fellows in a telepsychiatry clinic: a supervision model. *Academic Psychiatry*, 32, 393-399.
14. Vaillant, G.E., Templeton, J., Ardelt, M., & **Meyer, S.E.** (2008). The natural history of male mental health XVI: health and religious involvement. *Social Science & Medicine*, 66(2), 221-231.
15. **Meyer, S.E.**, Carlson, G.A., Ronsaville, D.S., Martinez, P.E., Gold, P.W., Hakak, R., & Radke-Yarrow, M. (2009). Long-term outcomes of youth who manifested the CBCL-juvenile bipolar disorder phenotype during childhood and/or adolescence. *Journal of Affective Disorders*, 113, 227-235.
16. Carlson, G.A. & **Meyer, S.E.** (2009). Attention-deficit/hyperactivity disorder with mood disorders. In T.E. Brown (Ed.), *Attention Deficit Disorders and Comorbidities in Children, Adolescents and Adults*. American Psychiatric Press, Washington, DC.
17. Carlson, G.A. & **Meyer, S.E.** (2009). Pediatric Bipolar Disorder. In M.K. Dulcan (Ed). *The American Psychiatric Publishing Textbook of Child and Adolescent Psychiatry*. American Psychiatric Press, Washington, DC.
18. Carlson, G.A. & **Meyer, S.E.** (2009). Early-Onset Bipolar Disorder. In B.J. Sadock, V.A. Sadock, & P. Ruiz (Eds). *Comprehensive Textbook of Psychiatry*. Lippincott Williams & Wilkins, Philadelphia, PA.
19. **Meyer, S.E.** & Carlson, G.A. (In press). Development, age of onset, and phenomenology in bipolar disorder. In D. Cicchetti & D. Miklowitz (Eds). *Bipolar Disorder: A Developmental Psychopathology Approach*. Guilford Publications, New York, NY.
20. Carlson, G.A., Findling, R.L., Post, R.M., Birmaher, B., Blumberg, H.P., Correll, C., DelBello, M.P., Fristad, M., Frazier, J., Hammen, C., Hinshaw, S.P., Hudziak, J.J., Kowatch, R., Leibenluft, E., **Meyer, S.E.**, Pavuluri, M.N., Wagner, K., Tohen, M. (In press). AACAP 2006 Research Forum: Advancing research in early onset bipolar disorder: barriers and suggestions. *Journal of Child and Adolescent Psychopharmacology*.

## Selected Posters

1. Anderson, F., Hyson, D.M., Meyer, S.E., & Collins, W.A. (1998). *Autonomy during late adolescence: contributions of parent-child and peer relationships in childhood and adolescence*. Meeting of the Society for Research on Adolescence, San Diego, CA.
2. Levy, A.K. & Meyer, S.E. (1999). *The development of self-esteem from middle childhood to adolescence: effects of gender, social class, & individual differences*. Biennial meeting of the Society for Research in Child Development, Albuquerque, NM.
3. Meyer, S.E., Hyson, D.M., Anderson, F., & Collins, W.A. (1999). *Autonomy during late adolescence: contributions of parent-child and peer relationships in childhood and adolescence*. Biennial meeting of the Society for Research in Child Development, Albuquerque, NM.
4. Collins, W.A., Hyson, D., & Meyer, S.E. (2000). Are we all in this together? relational and contextual correlates of autonomy during early and late adolescence. In J. Smetana (Chair), *Autonomy during adolescence: developmental processes in diverse contexts*, Meeting of the Society for Research on Adolescence, Chicago, IL.
5. Meyer, S., Ronsaville, D., Klimes-Dougan, B., Wiggs, E., & Radke-Yarrow, M. (2001). *Evidence of executive function deficits among adolescent offspring of mothers with bipolar illness*. Biennial meeting of the Society for Research in Child Development, Minneapolis, MN.
6. Meyer, S.E., Carlson, G.A., Wiggs, E.A., Martinez, P.E., Ronsaville, D.S., Klimes-Dougan, B., Gold, P.W., & Radke-Yarrow, M. (2003). *A prospective study of the association among impaired executive functioning, attentional deficits, and early onset bipolar illness*. NIMH Pediatric Bipolar Disorder Conference, Washington, DC.
